As a matter of discovery, I am writing to your office in hopes that under the FOIA that I may obtain a listing of locations involving Secondary Containment sites that are currently experiencing leakage problems or may be under construction remediation.

I represent Coating Holdings LTD, a company that manufactures Polyurea Coatings which are used in site remediation of secondary containment. I am located in Rochester, NY but service the NY, NJ and Virgin Islands sectors.

I thank you in advance for your assistance and look forward to your response.

Regards,

Richard Franklin
